

GRIP

SUSTAINABLE PRACTICES

Completed?

COMMENTS

- 1 Use adhesives made from natural, nontoxic materials (no petroleum based products).
- 2 Donate or repurpose expendables. Gels can be donated to film schools or back to the expendables house. Black wrap can be recycled but duvetine cannot.
- 3 Keep elephant doors closed when the air conditioning is on and turn off power, HVAC, catwalk and house lights when not in use and before leaving.
- 4 Follow green practices; reduce, reuse, recycle and shut down (e.g., reduce paper, refill water bottles, shut down equipment).
- 5 Search for new green vendors at GreenProductionGuide.com.
